Definitions:

Mass : a design with a large quantity of plant material arranged in a close silhouette.

Parallel : a design in which three or more groupings are placed in a parallel manner with open spacings between the groupings. Parallel direction may be vertical, horizontal or diagonal. The design should be in one container or containers combined to appear as one.

Small : a design sized from 13.9cm-25.4cm (5 1/2"-10") in any dimension, including container, base and accessories.

Duo Design: a two sided design in one container. Each side is different from the other and each is judged separately.

Miniature : a design not to exceed 12.7cm (5") in any dimension, including container, base and accessories.

Water-viewing design : a line design in a shallow container with one half to 2/3 of container surface showing water.

Interpretive – a design where a given theme, idea, mood, etc is suggested by the selection and organization of the design element.
