The 163rd Edition of The Almonte Fair Moves Back to a Fall Fair with a new Midway.

Almonte, Ontario. It is with great pleasure that the North Lanark Agricultural Society announces that the Almonte Fair will be held the weekend after Labour Day. The tradition will continue September 8, 9, and 10, 2023 on the banks of the Mississippi River.

Limited number of midway companies serve the Eastern Ontario route. After devastating news from World's Finest Shows in November, NLAS was without a midway. Talk of moving back to September and rebuilding the fair, without a midway, started. Returning to a fall fair has been a dream for the community and the Agricultural Society.

Mid-January hope was restored. A midway company had an opening in their September schedule, the weekend after Labour Day, the original Almonte Fair weekend. The Board is excited to share that Beauce Carnaval from Saint-Georges, QC will be bringing their midway of rides, games, and concessions to Almonte Fair.

The planning continues with delegates heading to the Ontario Fairs Convention this month.

Come celebrate Farming. Food. And Fun with us this September 8, 9, and 10!

Audrey Syme, President.
