President's Message

Before I speak to 2023, I'd like to send a big thank you to the residents of Mississippi Mills and surrounding area for coming out and participating in our 2022 events. During lockdown, the volunteers of NLAS had adapted by having Board meetings via Zoom to continue planning activities we could host as covid restrictions eased. Being able to have our annual Fair was a huge relief and we saw one of our larger gate attendances to date. Again, thank you to those who supported, exhibited and visited our Fair – it is why we do it!

Last Fall, we thought we had a good template to start working on our 2023 Fair. And then we were notified that our Midway provider would not support Tier 2 Fairs any longer due to how Covid had affected that industry. Terrible news as we know how much our community wants a Midway as part of the Fair experience. It was very impressive to see the NLAS volunteers rally around this news and start planning right away to adapt again. We and the community have long waited to return to a September Fair and so we made this an opportunity to do it. And then we connected with a new Midway, Beauce Carnaval, who were available in September also. Could it really be possible to return to a September Fair with a Midway? Yes it could and it is!

As we continue to plan our 2023 Fair, we are certainly experiencing affects Covid had on other industries and see how costs have increased for just about everything. NLAS has worked very hard to plan a fun-filled Fair with lots for a family to do while staying within our means for cost control. So far this year, we have upgraded our ground lighting and have plans to upgrade our washrooms and office area. With continued support from our community, we are confident we will achieve these goals. If you have ever thought of

volunteering on the Fairboard, we would love to have you. The grounds truly are a fantastic setting to volunteer at.

As our 163rd Fair approaches, I can't help but reflect on the NLAS legacy and how that continues greatly due to the resilience of its' members to adapt to change. Personally, I can only guess what challenges previous Boards have had to navigate but find that encourages me to want to keep it going. With your continued support, the legacy will!

Thanks, and see you at our September Fair,

Privacy Act

The following quote is from the Privacy Commissioner of Canada regarding the new Privacy Act which was implemented January 1, 2003:

The fact sheet issued by the Privacy Commissioner of Canada points out that the presence of commercial activity is the most important consideration for non-profits. However, fundraising is not a commercial activity, nor is collecting membership fees, organizing club activities, compiling a list of members' names and addresses, or mailing out newsletters. While the act of asking for donations is not subject to the Act, charities and non-profits are still required to seek appropriate consent if selling, bartering, or leasing lists. These are considered to be commercial activities.

PLEASE NOTE

The North Lanark Agricultural Society does not sell, barter or lease any of the information we have on file regarding names, addresses etc. of all exhibitors at the annual agricultural fair, all members and all donors to the Society. NLAS reserves the right to publicly congratulate winners where appropriate and keep contact information of exhibitors on file for future fairs.

Homecraft President's Message

Welcome to our 163rd annual Almonte Fair. Isn't it great to be back in the fall, on our original September weekend? We couldn't wait to share the news. So many opportunities for every aspect of the fair and the temperature can't be as hot, it is not possible!

This year's theme is "Farming, Food and Fun!" and we can't wait to see what entries you put in, in all the sections. We have something for everyone! Do you like to garden, bake or do crafts? Knitting or anything with needles and thread? Do you take amazing photographs or have kids who like to craft? We have entries for all ages and all abilities and even a friendly competition between friends.

When you come to the fair, we hope you have fun throughout the grounds. Discover what's in the agricultural hall, the education tent, what's happening on the oldest covered grandstand in Canada and of course, walk through the midway and go down memory lane. There is something happening all the time on the fairgrounds, all weekend and we can't wait to share it with all of you.

Thank you for your continued support through the years and we hope you enjoy this year's fair. We hope you make some new memories, remember some old ones and continue the traditions of years gone by. We do this all for you and the happiness we see in all your faces.

See you at the fair!
